Technical Director

Hiring organization

Green Valley Television

Working Hours

MONDAY-FRIDAY DURING ASSIGNED SHIFT
ADDITIONAL HOURS MAY BE ASSIGNED.

Description

Reports directly to Newscast Director and is responsible for all video and some audio for the daily newscast. Technical Director comes in every morning to review the rundown before shooting a newscast. Some video will have audio and it is the Technical Director's responsibility to make sure the audio quality is perfect. Same goes for the quality of the video on the newscast. Must come in to put Broll, SOTs, Packages, etc. in the video que every morning. Can be designated for assignment to alternative production support positions as warranted by station and departmental business requirements. Including graphics and producing support on internal and external client productions, News Specials, Community Affairs, Sports, Special Events and new digital platforms.

Qualifications

Must possess excellent organizational and communication skills. Must be an effective leader, positively motivate and effectively communicate with producers and production crew. Demonstrate composure and timely decision-making in a dynamic, fluid and high-pressure work environment that often typifies live News production. Possess a strong fundamental understanding of news video and audio production equipment technologies. Willing to learn and adapt to new technologies. Possess working knowledge of News operating systems. Microsoft Office/ Outlook knowledge also required. Work precisely under deadline and pressure of a live broadcast. Make quick decisions and provide accurate and timely instruction to crew during live broadcasts. Works well as a member of a team. Demonstrate creative and innovative thinking in all aspects of production responsibilities.
